EXPERIENCE

Fullstack Developer
techsunset

📅 july 2024   📍 present

Noida

- Contributed to both frontend and backend development of web applications, ensuring seamless integration and high performance across the tech stack.
- Utilized modern frontend technologies including HTML, CSS, JavaScript, and React.js to build responsive and user-friendly interfaces.
- Developed and maintained backend services using Node.js and Express, and integrated RESTful APIs to enable robust communication between client and server.
- Collaborated cross-functionally with designers, product managers, and developers to deliver full-featured web applications, meeting project goals and timelines.

PROJECTS

Healthy Way

Click to see live

- **Features** –Developed and launched HealthyHey, a leading e-commerce platform for high-quality nutritional supplements in India. Focused on user-friendly design and seamless navigation to enhance customer experience. Implemented secure online transactions and efficient product management systems.

Other: *JWT, Razorpay (Webhooks), Nodemailer, Multer, Responsive UI,code pipeline,Filezilla, Figma, Canva, PuTTY*

EDUCATION

B.Tech in Computer Science
Lucknow Institute of Technology

📅 2023   📍 Lucknow

CGPA: 8.03

Intermediate
G.B Inter College

📅 2019   📍 Budaun(UP)

Grade: 70%

High School
V.S.B Inter College

📅 2016   📍 Budaun(UP)

Grade: 74%

CERTIFICATION

Full-Stack Developer
JSpiders Training Institute

📅 July 2023   📍 Noida

- Excelled in **ReactJS** and **Node.js**, mastering frontend concepts like components, hooks (e.g., `useState`, `useEffect`), virtual DOM, and backend API development.
- Developed **responsive UIs** and **scalable backend systems** using **HTML5**, **CSS3**, **JavaScript (ES6+)**, **ReactJS**, and **Node.js** with Express APIs.
- Created full-stack projects, connecting **ReactJS** interfaces with **Node.js** servers, using **RESTful APIs** and **Git** for version control.
